

Light of Gold PR Thanks New York Women's Chamber of Commerce with a Hosted Citywide Event

New York, NY, October 21, 2009 – A year ago, Light of Gold PR and Marketing was awarded their **Minority & Woman-Owned Business Enterprise Status** for the City of New York. Their New York Minority and Woman-owned certification would have never been possible without the assistance from the **New York Women's Chamber of Commerce**. On Thursday, October 23, 2009, Light of Gold PR is paying back the favor by hosting a citywide networking event in their honor. Event attendees will include Debra Dixon, CEO and Founder, Light of Gold PR, Josephina, Nidea, Angelina Gomez, and Lawrence Miles from the New York Women's Chamber of Commerce.

Debra Dixon, principal and owner, conveyed her great enthusiasm about **Light of Gold PR** and Marketing's certification, "We were so excited to finally receive our certification as a **Minority and Women Owned Business Enterprise (M/WBE)**. Completing the certification could have been an arduous task for our firm, but our journey to certification was made so much smoother with the help of the **NY Women's Chamber of Commerce** and **Small Business Services**. Both organizations proved invaluable in helping us complete each and every page of the certification application. We know that our new M/WBE status and designation will expand our client base and help us to provide opportunities for strategic alliances, partnerships and jobs. In return, I'm thrilled to repay the favor by hosting an event connecting NYC entrepreneurs and small businesses with the **New York Women's Chamber of Commerce** and their invaluable resources."
